

PRESS RELEASE

CHICAGO, Illinois - April 28, 2018

Since 2013, Heavenly Culture World Peace Restoration of Light (HWPL) has worked incessantly for the establishment of world peace. As an international NGO, our peace advocates have orchestrated over 500 peace walks both globally and domestically such as, Chicago, New York, South Korea, China and India.

Participants will include high schools, universities, community organizations and civic leaders. Together at the historic, Buckingham Fountain, hundreds will gather, discuss, and mobilize “Calling for an end to gun violence”. The culture of peace campaigns were found as a means of working together until peace is finally achieved, and we expect more than 300,000 members to take part in their direct environments. Since its initial proclamation on March 24, 2016, HWPL actualized the Declaration of Peace and Cessation of War (DPCW), an international law comprised of 10 articles and 38 clauses, as a new approach to resolve conflict.

We undoubtedly believe, the efforts of the young people of the world today, in pursuit of peace - will remain forever as a never-fading light of life, for all future generations.
